

Stone and Marble

General Maintenance

Please read these instructions in conjunction with any product specific instructions within your product packaging.

To help prolong the life and appearance of stone and marble, we advise the following:

STYLISH HOME SECRETS

Stone and Marble Furniture & Accessories

- * **Clean regularly** with a soft, damp cloth and mild, pH-neutral detergent. Avoid harsh chemicals or acidic cleaners (like lemon or vinegar).
- * **Wipe up spills immediately**, especially acidic substances (wine, juice, vinegar) to prevent staining.
- * **Use coasters, placemats, or trivets** to protect surfaces from heat, scratches, and moisture.
- * **Avoid abrasive scrubbing** to prevent scratches or dulling of the polished surface.
- * **Seal periodically** (if applicable) to maintain natural lustre and protect against stains.
- * Avoid exposing your furniture to **excessive heat** as this can cause cracking. A minimum 30cm clearance from heat sources such as radiators is advised.

With careful maintenance, your stone and marble pieces will preserve their natural beauty, elegance, and timeless appeal.
