

Wood & Wooden Furniture

General Maintenance

Please read these instructions in conjunction with any product specific instructions within your product packaging.

To help prolong the life of your wooden furniture, we advise the following:

STYLISH HOME SECRETS

Care & Cleaning

- * Wipe clean with a soft cloth, do not use abrasive cleaners, scrubbing pads, scourers or potentially harmful or harsh chemicals
- * Do not place hot items directly on to the surface. Do not put hot dishes or cups on any surface, always use an insulated mat for protection.
- * Wooden furniture is not waterproof
- * Wood is a natural material and therefore there will be slightly varying tones, patterns or colour within the same item and from the image shown on our website
- * Spills should be removed immediately using a clean cloth
- * Some furniture polishes are unsuitable for use on certain surfaces and can degrade the protective layer.
- * The repeated use of a silicone-based polish is not recommended as this will lead to the build-up of a silicone film
- * If your wooden furniture has a natural finish (e.g. oak, untreated elm), use a natural beeswax polish.
- * If your wooden furniture has an oiled finish, use linseed oil every few months to prevent the wood drying
- * If your furniture becomes stained, scratched or chipped, seek professional help to restore it.
- * Be aware that some clothing contains dye that could stain light furniture.
- * Do not 'hike' or lean backwards on chairs, as it will weaken the joints
- * Wood changes colour with exposure to both natural and artificial light. Rotate any ornaments to avoid patches of colour. If you have an extendable dining table, leave it fully extended where possible or expose the leaves to light so that there are no obvious colour differences when the leaves are used and table is extended in full.

If you are unsure about anything, please ask!

Most items can be returned for a full refund within 30 days of delivery, provided they are in original, unused, saleable condition and repacked in the original packaging. We are only able to cover the cost of returns for faulty, damaged or wrongly dispatched items.
